

CLEAN UP:

Derivan Inks are washable in water, making cleanup quick and easy. However, the nature of Derivan Inks water resistant properties means dried ink will need to be cleaned in Derivan Ink Cleaner. Simply soak dirty equipment in Derivan Ink Cleaner then wash up in warm soapy water to finish.

REMOVAL OF PAINT STAINS:

As Derivan Inks are an Artist Quality Acrylic Ink, it is difficult to remove from clothing when dried. We advise to wash stains out immediately with cold water and household soap, taking care not to spread the stain. Dry stains will need to be soaked overnight in lukewarm soapy water. Do not use hot water, chemical solvents or thinners. For more detailed instructions please visit the Matisse Derivan website on www.matisse.com.au.

HEALTH AND SAFETY:

Derivan Inks are a non-toxic water-based acrylic ink containing water, pigment and acrylic. For further safety information please download the Material Safety Data Sheet from our website at www.matisse.com.au.

ABOUT US

Matisse Derivan have created a large range of paints suitable for all artists from preschoolers to professionals,

and to suit many creative interests in between. The Matisse Derivan range encompasses not only the finest artist acrylic colours and mediums, but also includes industry leading, safe, children friendly paints such as Brush & Finger Paint, Face & Body Paint, and Kindyglitz - Australia's most popular glitter glue. Water-based alternatives have also been developed for block printing ink and screen printing ink - allowing educators, parents and artists to work safely.

More recently Matisse Derivan has expanded their range with vibrant acrylic inks, and specialty miniature and model paints and are looking towards the future with new products being developed continually.

As part of the company's 'community and social responsibility policy' Matisse Derivan provide work to several disabled staff as well as providing support to schools, art schools and charities all over Australia.

Matisse Derivan is proud to use raw materials sourced from Australia whenever possible.
