

DERIVAN[®] student

acrylic paint

ART · CRAFT

Derivan Student Acrylics are a fast drying, non-toxic and water based paint with bright, opaque colours that can be used on most porous surfaces, including paper, cardboard, wood, MDF, plaster and canvas.

COLOUR CARD & PRODUCT INFORMATION

Non-Toxic • Water-based • Acrylic Paint
Australian Made

NB: Colours in this colour chart are as accurate as conventional printing allows

USE:

Derivan Student Acrylic Paints are ideal for a wide range of art and craft applications for the beginner through to the advanced artist or crafter. Whether adding a splash of colour to your craft project, or creating your own masterpiece on canvas, Derivan Student Acrylics have the versatility for a broad range of painting techniques. Safe for use by all ages, Derivan Student Acrylics are the perfect all rounder art and craft paint for the family.

COLOUR MIXING:

Derivan Student Acrylic Paints can be intermixed to create bright secondary and tertiary colours. All colours are opaque to allow for trouble free application on a variety of surfaces.

CLEAN UP:

Wash all utensils, brushes and hands with soap and water to clean up.

REMOVAL OF PAINT STAINS:

Suitable clothing should be worn as some staining may occur. We advise to wash stains out immediately with cold water and household soap, taking care not to spread the stain. Dry stains will need to be soaked overnight in lukewarm soapy water. Do not use hot water, chemical solvents or thinners.
