Six White Boomers
Michelle Roberts

will help you get that beautiful watercolour effect. Or, create a decadent Wine Bottle Holder (that could hold chocolates or biscuits too). How about some original ornaments using the new Iridescent Medium?

To really get into the spirit of Christmas, paint your own Christmas shirt, using textile medium with a dash of the Paint-a-Matazz range for some added glitter and pizzazz.

The choices are only limited by your imagination! So dig out your supplies, and start creating today.
